Re-entry Coalitions

Coalitions are available on a regional and/or county basis and are one-stop referral and assistance groups specifically responsible for providing information and/or services to returning citizens. Not every county has a re-entry coalition, but they are being formed throughout to Commonwealth of Pennsylvania. Every coalition varies in its makeup, including an assortment of government and community agencies. These coalitions are intent on making the transition from incarceration to the community easier for all involved. They may provide mentoring services, education and employment services, emergency assistance, housing assistance, and more. For assistance, start by calling your coalition if it is listed and asking what services they are currently offering.

Agency on Aging

Agencies on Aging provide services to older adults including, information & referral placement, personal care, home support, counseling, protection, legal, family support program, long-term care assessment and management and alternative Community Care Services.
